HOCKEY

THE CAMP OUR MISSION

The *HOCKEY ETCETERA MENTORSHIP CAMP* will surround players with the most resources and tools both on and off the ice to prepare them for the next steps in their hockey journey. This one-week NHL-inspired top Prospect Camp is unique and exclusive to the top Canadian, American and International 2010 birth year players. Players attending the camp will have a similar experience to the National Under-18 Team development camps.

ETCETERA

THE COMPLEX

Hockey Etcetera is a state-of-the-art sports complex located in Montreal (Quebec) geared towards hockey players and athletes wishing to receive top-level training year round.

HOCKEY + ETCETERA

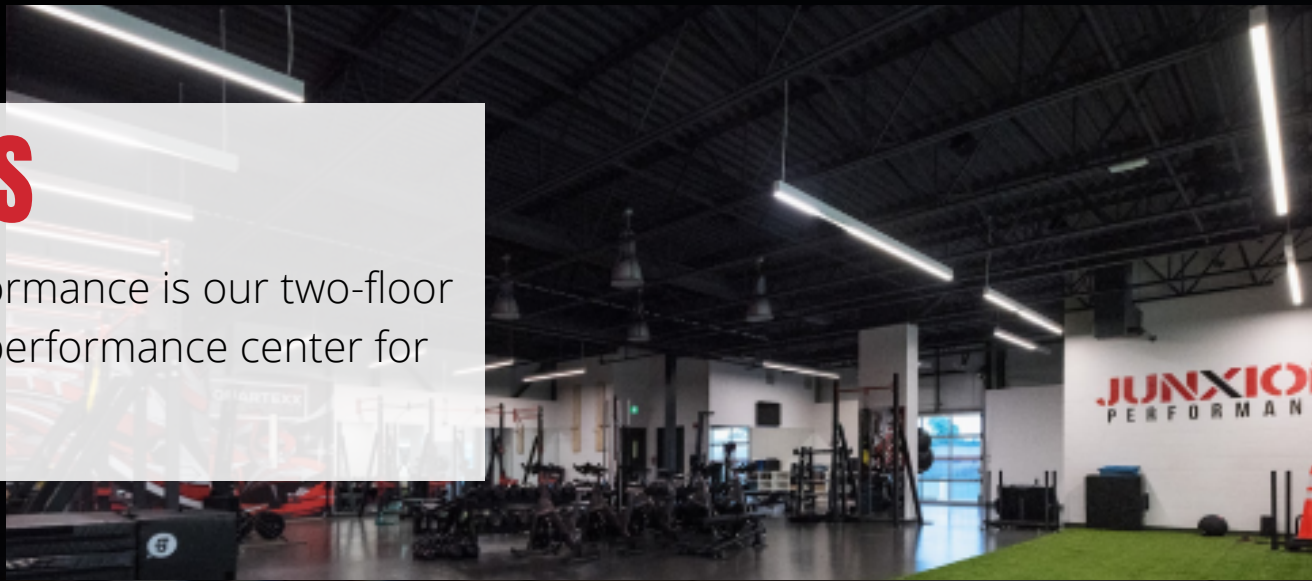

HOCKEY FACILITIES

We have two arenas with ample seating, as well as comfortable areas to view the action without being in the cold. Cutting-edge programs, world-class trainers and unparalleled facilities, Hockey Etcetera is where you come to train and feel like a pro.

FITNESS

Junxion Performance is our two-floor fully private performance center for athletes.

BISTRO 54

Bistro 54 is Hockey Etcetera's sleek resto lounge overlooking the ice where you can enjoy a delicious meal while watching the action.

CLINIC

From osteopathy to acupuncture, our integrated clinic is ready to help you reach your goals.

ON-ICE TRAINERS

Top professional trainers from Hockey Etcetera will have players train on the ice like the NHL players they train in the off season. Players will be working on:

- Advanced Skills
- Edgework
- Powerskating
- Game Situational Drills
- Hockey Sense Workshops
- Puck Protection
- Winning Battle Workshops
- Goalie-Specific Training

NICK ORLANDO

DIRECTOR OF HOCKEY & HEAD TRAINER

Nick has trained over dozens of current and former NHL players. He offers unrivaled hockey training in an explosive program designed to maximize potential for every player. His combination of skill and game situation drills enable elite players to push themselves to new levels. The execution, speed and skill that are required of these drills attract talented players from across Quebec minor ranks (draft eligible AAA, Prep School, USHL, Jr. A, QMJHL, CHL, NCAA) right up to the Pros. (AHL, KHL and NHL)

ANGELO ESPOSITO

PLAYER DEVELOPMENT SPECIALIST

Angelo was drafted in the 1st round by the Pittsburgh Penguins in 2007. He played in the ECHL, AHL and most recently in Europe. He competed for Team Quebec as a captain during his QMJHL season in the 2006 World U-17 Hockey Challenge, capturing gold. He also captained Team Canada's U-18 squad at the 2006 Ivan Hilinka Memorial Tournament and won another gold. He made Team Canada's World Junior Team in 2009 scoring 4 points in 6 games, including the game winning goal in the gold medal game, helping Team Canada to its record-tying fifth straight gold medal.

FRANCIS BEAUVILLIER

PLAYER DEVELOPMENT SPECIALIST

Francis is a 2012 draft pick of the Florida Panthers. He was drafted 3rd overall in the QMJHL by the Lewiston Maineiacs. He also played for the Rimouski Oceanic, the Shawinigan Cataractes and the Rouyn-Noranda Huskies. Francis played at the University of New Brunswick for 3 years and won back-to-back national championships. Before playing in the Slovakia Pro League, he played with the Winnipeg Jets farm team, the AHL Manitoba Moose.

BRODY ARMSTRONG

PLAYER DEVELOPMENT SPECIALIST

Brody has worked for over 10 years as a hockey developer after finishing his playing career (Midget AAA, Junior AAA). Along with his work with Hockey Etcetera, he has been a trainer for numerous minor hockey associations and programs in the West Island. He has been a head coach for teams in the LHEQ, RSEQ and LHIQ; and was part of the coaching staff of the Gold-Medal winning Lac-St-Louis Team at the Jeux du Quebec in 2015.

JIM CORSI

GOALIE DEVELOPMENT SPECIALIST

Jim worked as goaltending development coach for the Columbus Blue Jackets, the St. Louis Blues and Buffalo Sabres. Jim played in the World Hockey Association for the Quebec Nordiques and in the NHL for the Edmonton Oilers and Minnesota North Stars. Jim is still working as a consultant for the NHL Coaches Association, USA Hockey, the Italian Hockey Federation as well as with his alma mater Concordia University and Hockey Etcetera.

NATHAN CRAZE

GOALIE DEVELOPMENT SPECIALIST

Nathan is a passionate and dedicated goaltender coach who has been working with goaltenders at all levels of hockey for over 15 years. His experience includes coaching professional hockey in Europe, Canadian Universities and Head Goaltending Coach for the Great Britain National Team program. Nathan has also working with several CHL, NCAA and professional goaltenders individually. Nathan specializes in helping goaltenders evolve their technical and tactical game supported with video analysis aimed toward taking a goaltender's performance to the next level.

A group of five men, presumably trainers, are posed in a gym. Two are standing in the back row, and three are in the front row, with one sitting on a black bench. They are dressed in athletic wear like t-shirts, a hoodie, and a cap. The gym background includes various pieces of equipment like weight racks and a red floor. The title 'OFF-ICE TRAINERS' is overlaid in large, bold, white and yellow letters.

OFF-ICE TRAINERS

Top professional dry-land trainers from Junxion Performance will provide guidance and all the tools necessary for players to reach their maximum potential off the ice, which in turn will provide incredible results on the ice.

JUNXION

PERFORMANCE

MARC GIROUX

DIRECTOR OF JUNXION PERFORMANCE & STRENGTH AND CONDITIONING COACH

With over 8 years of experience working with amateur and pro athletes, especially baseball and hockey players, Marc transferred his passion for sports into strength and conditioning. He strives to build not only strength, power, speed and agility for his athletes, but help them build character and mental resilience to get to the next level where the mental approach to the game makes the difference.

COLIN LOUIE

OSTEOPATH, STRENGTH AND CONDITIONING COACH - CAT(C), CSCS, OSTEOPATH D.O.

For more than 10 years, Colin has been helping clients treat and rehabilitate their injuries through manual therapy and corrective exercise programs. He graduated from Concordia University in 2009 with a bachelor's degree in Athletic Therapy, a discipline that takes a global approach to evaluate and develop a plan for return to activity through a keen eye and experienced palpation.

TANNER KICHLER

STRENGTH & CONDITIONING COACH - M.S

Tanner Kichler is a strength and conditioning coach that works with athletes from the youth to professional level and across multiple sports including baseball, hockey and basketball. Tanner uses his understanding of sport and exercise science to guide proper training and program optimization. Tanner believes that high performance includes the integration of both nutrition and proper recovery to develop of a well-rounded athlete.

MARC NADEAU

ATHLETIC THERAPIST & STRENGTH AND CONDITIONING COACH - CAT(C), CSCS, XPS, BSC.

Marc Nadeau is an athletic therapist and strength coach that thrives on getting athletes to perform to their full potential. He has worked with professional and junior hockey players, as well as Olympic skiers and figure skaters. Marc uses his athletic therapy and reconditioning base to create an integrated strength & conditioning practice that prioritizes movement skills, and sustainable growth of strength, power, and speed.
